

Good news everyone!
Our witness slips, phone-calls and letters worked! Praise the Lord!!

Illinois Right to Life reports that the great outpouring of opposition to Illinois HB1736 and 3071 (mandated sex education to our school children) has been pushed off the Illinois House floor. These bills have been sent back to the Rules Committee, indicating a lack of support to call them to a vote.

These atrocious culture-of-death bills that would have attacked our children have been squelched for the near-term. According to legislative process, a bill never dies unless it gets voted down. For now, it's deep on the back burner. We give thanks unto the Lord!

Stand by

There is movement on the same provisions in the Illinois Senate. Apparently, those supporting these measures are motivated. Let us not be discouraged. The SID Advocates for Life will keep you posted on how these bills progress.

For now, let's give thanks to our crucified, risen Lord and continue to proclaim the good news of His bodily resurrection and all it means and implies for us in body and soul.

As the Martin Franzmann hymn puts it (LSB 473):

"Let all our lives now celebrate the feast, let malice die;
Let love grow strong, anew, and great, let truth stamp out the lie!
Alleluia!

"Let all our deeds unanimous confess Him as our Lord
Who by the Spirit lives in us, the Father's living word!
Alleluia!"
